Code : E 2070
Colour : Ivory

● Availability needs to be verified with the plant before order confirmation.

SWIMMING POOL TILES

STEP & EDGES

Features	Advantages	Benefits
Size 24.7 cm x 12.2 cm	In conformance with Standard Olympic Pools norms. World Aquatics , formerly known as FINA	Easier path to certification with related benefits . Ideal for competition pools.
Wide range of Colours	As desired by Olympic standard norms. Dark Colours are used especially as lane markers.	Provides conformance to Olympic full & half size competition pools with enhanced aesthetic appeal .
Specialized pool fittings – Internal Cove, External Cove, Internal Angles wall – floor junction, External Angles of Wall floor Junction, Junction of 3 external angles	Enables proper rounding of corners & junctions avoiding sharp edges & dust, dirt accumulations.	Customer benefitted by enhanced safety & hygiene factor.
Tiles for Steps & Edges	Provides higher grip to soles of feet while entering into the pool. Safety marking cautions about the level difference in the pool. Finger grip with safety marking provides holding support while in pool & also highlights the level difference at the edge of the pool.	Customer benefitted by enhanced safety and great aesthetics . Helps in compliance with International standards
Specialized Glazed tiles	Ensures no algae formation on pool tiles.	Higher Hygiene factor and safety.
Higher MOR ≥ 30 N/MM ²	Withstands water pressure better than ordinary ceramic tiles.	Longer service life.
Water Absorption : Avg. 2.5%	Lower Water Absorption means superior crazing & frost.	Better hygiene & Safety for Pool users.

The pool must be built to stringent standards laid down by World Aquatics (formerly known as FINA - Federation Internationale De Natition) the Swiss organization governing worldwide sports. FINA is dedicated to promote and encourage the development of swimming in all possible manifestations and to increase the number of facilities for swimming throughout the world. FINA's regulations specify the layout and the dimensions of the pool tang markings and also the colour scheme, which should combine the tiles and the special fittings.

The extensive Endura pool tiles range, together with special fittings from the 'swimming pool collection' for public and private pools, is in conformance with the FINA standards.
